APPLICATION FOR DEMOLITION PERMIT
DEMOLITION CHECKLIST

PRIOR TO DEMOLITION:

1. Proof that all neighboring property owners must be notified at least five (5) days prior to commencement of demolition;
2. Proof of buried tank removal or closure;
3. Proof of disconnection from City Water;
4. Proof of disconnection from all utility companies (gas and electric);
5. Must provide temporary fencing surrounding the entire demolition site;
6. Must provide a dumpster on site during the entire demolition process, with removal of said dumpster within 24 hours of completion;

DURING DEMOLITION:

7. Sidewalks must be kept in safe condition at all times, free of debris, and must not hinder nor obstruct pedestrian traffic unless prior consent is given by City Council.

AFTER DEMOLITION:

8. Sewer line must be capped off;
9. Footings, Foundations, and/or slabs must be removed before clean fill is installed;
10. Site must be left at grade, equal to surrounding grade.
